**Department of Veterans Affairs**

**National Environmental Policy Act - Project Review**

**Project: Renovate Building 75 – Canteen Store**

**687-14-106**

**Location:** Jonathan Wainwright VAMC Campus, Walla Walla, Washington

**Date:** 15 May 14

**Description of Action:**

Renovate Building 75 VSC Canteen Store. Replace flooring, finishes and lighting

**Background:**

B-78 canteen store has aging flooring and fixtures. Veterans canteen service has replacement wall fixtures.

**Action:**

The project is to replace aging floor tiles, carpet and minor fixture renovation and lighting

**Alternatives Considered:**

1. No Action – leave space as configured.
2. Use other space on campus for Canteen store – other space alternatives did not contain adequate space for dept needs.

**NEPA Evaluation:**

- a. Air Emissions – None
- b. Asbestos – abatement will be performed on existing flooring removal
- c. Noise – None
- d. Solid Waste - None
- e. Hazardous Waste – None
- f. Biological Resources – None – Interior renovation
- g. CERCLA/RCRA – None – Interior renovation
- h. Wetlands – None interior renovation
- i. Surface Water – None interior renovation
- j. Subsurface Water – None interior renovation
- k. Aesthetics - None , interior space not historic. No impacts to bldg. exterior

[Type text]

- I. Cultural Resources – None , interior space not historic. No impacts to bldg. exterior

Therefore, I have determined this project to be CATEX eligible per VA NEPA Interim Guidance, Draft 2010, CATEX Item #5: Interior construction or renovation. VA Directive 0067 VA National Environmental Policy Act Implementation, June 21 2013, para 4, h, (12) (a). VHA signature authorities.
